

WILSON HILL  
ACADEMY

Book List 2017  
Precalculus Readiness (Summer)

*There are NO books or materials to purchase for the course. Instructor has developed Notes and Practice Problem Sheets. These will be made available on the class homepage (students can print from the homepage).*

*Students should have a graphing calculator. Teacher will use **TI-84 Plus** for demonstration purposes. (Note: Students are required to have this type of calculator for Precalculus.)*
